

### **Appendix 3a – Notes re Survey Questions (Appendix 3b)**

All survey questions are shown, however due to skip logic respondents only saw questions related to their previous selections. The three key sections of the survey are described here. For more information please contact NUBSLI or the author.

Page 1 - Introduction and consent.

Page 2 - Exit page, for respondents who didn't consent.

Page 3 - Question re whether respondents are or are not currently working in one of the described roles.

Page 4 - Questions for respondents who indicated they aren't currently working in one of the described roles.

Page 15 - Questions for respondents who indicated they are currently working in one of the described roles – i.e. the rest of the survey.

Page 23 - Respondents are asked to choose their main role for their answers for the rest of the survey.

Page 66 - Compulsory questions asking respondents to say whether their answers can be quoted or not. Answering this question was required for surveys to be counted as completed.
